Dear Austin Area Beekeepers Association Members,

As we wrap up another buzzing year together, we want to extend our heartfelt thanks to each and every one of you. Your passion for beekeeping, your willingness to learn and share, and your dedication to our local bee community are what make this association so special.

To our incredible speakers—thank you for lending your expertise, your time, and your stories. Your presentations inspired new ideas, deepened our understanding, and helped us all grow as beekeepers. We are truly grateful for the knowledge and enthusiasm you bring to our meetings.

To our members—whether you're a seasoned beekeeper, a curious beginner, or someone who simply cares deeply about pollinators—thank you for your involvement, your questions, your generosity, and the community spirit you bring to every gathering. This association thrives because of you.

As we head into the holiday season, we want to wish all of you a joyful, restful, and happy Holiday and New Year. May the coming year bring continued learning, fruitful hives, and many sweet moments.

Thank you again for a wonderful year. We are so grateful for you.

Warmest wishes,

Elyssa Sexton, President

Austin Area Beekeepers Association

IMPORTANT NEWS FROM THE NOVEMBER AABA CLUB MEETING

Our annual elections were held at the November Club Meeting. We are excited to welcome **Kelly Sherrill**, as our new Vice President. We thank Eddy Monske for his service this past year. Joy Mills was re-elected for another term as Secretary. One more end of year reminder: Your dues lasts for the calendar year. Know that 2026 dues will be due in January.

The club also voted to have the December Meeting be a social event for sharing our successes and challenges over the past year. We will gather at **Central Market North**. Each person will order their own food as you choose. Bring your spouse, partner, friend or guest. Hopefully, it will be nice enough to sit outside.

SEE YOU THERE! 6:00PM 4001 N Lamar Blvd
